<i>Work is tracked in hours spent.</i>									
<i>Total hours per week should be 12-16.</i>									
<i>Tasks align with the project plan</i>									
<i>Tasks will appear and fall off with each successive week</i>									
<i>Fill this sheet out each week - keep for your records and submit a copy to your TA</i>									
<i>If you are spending more than about 10 minutes per week filling this out, you are probably overthinking it</i>									
<i>It is intended both as an accountability tool and as validation for your estimates</i>
